## OHSE POLICY STATEMENT

### ISO OHS45001 / BS EN ISO 14001

SEI Identification Solution Limited referred as SEID is an established Manufacturer and Distributor of Marking, Binding, Identification, Protection Products and Systems, for Cables and Devices. Materials include Irradiated Polymeric Heat-shrink, Silicone, PTFE, PVC Tubing and Forms; exporting products worldwide.

The company recognises that the health, safety and welfare of employees, visitors, contractors, external stakeholders, and the wider community, who may be affected by its operations, is of primary importance in the successful conduct of its business. It also recognises its obligations to care for the environment through the prevention of pollution, and the implementation and monitoring of good environmental practices. As a minimum standard, the company will meet the requirements of all legal, industry and other adopted standards.

The company strives to maintain best practice, seeking continual improvement and innovation within all business and activities, and uphold the corporate principles of Sumitomo Electric Group through the implementation of its Health, Safety and Environment (HS&E) management systems, with the UK based business certified to BS EN ISO 14001 Environment and ISO OHS 45001 Occupational Health and Safety. To this effect the company consults and requires active participation of all the its employees and its elected HS&E representatives.

This policy is signed by the Managing Director to demonstrate the company commitment, and a copy is posted at its Broadstairs site. A copy of this policy is also posted on the SEID Web site:
