QUALITY POLICY STATEMENT

EN 9100 / EN 9120

SEI Identification Solution Limited referred as SEID is an established Manufacturer and Distributor of Marking, Binding, Identification, Protection Products and Systems, for Cables and Devices. Materials include Irradiated Polymeric Heat-shrink, Silicone, PTFE, PVC Tubing and Forms. exporting products worldwide.

It is the established policy of SEID to conform to the requirements of the Quality System Standards EN 9100:2018 and EN 9120:2018 through effective implementation of our Company Procedures.

SEID will provide a high level of service which will be a guarantee to our customers that the products manufactured, stocked, supplied, or distributed by us will be acceptable and meet their requirements.

The primary organisational goal of the Company, is to:

- Follows the "SEI Group Quality Activity Policy" issued by the group.
- Manufacture and distribute products that are fit for purpose.
- Delivered products on time, in full and Defect-Free.
- Having acceptable profitability.
- Uphold the corporate principle of Sumitomo Electric Group.

The Company will also establish objectives, goals and initiate programs, including those of continuous improvement, to drive performance in the six core (SEQCDD) areas of its business and to maintain conformance to the core standards (as above) to which the organisation subscribes. These objectives, goals and programs will be continuously monitored and reviewed on a regular basis to ensure that they are realised and have continued suitability to the objectives of the organisation.

It is essential that every member of the Company is aware of our commitment to Quality Assurance, for which a Quality Manual has been prepared. The Company Quality Manual describes how managerial responsibilities and operating procedures are defined to meet the requirements of the Quality Standards EN 9100:2018 and EN 9120:2018.

By reviewing and developing the Company's procedures we aim for continual improvement of the Company Quality System.

Date: 17th June 2024
